# The First Annual Baltimore City Amateur Golf Tournament

May 31, 2002

Pine Ridge Golf Course

Mayor Martin O'Malley, Honorary Chairman

*Proceeds to benefit*

## ShapeUp Parks

*Working to beautify Baltimore.*

# ShapeUp Parks

## *What it is?*

The Department of Recreation & Parks asks people to volunteer their services in their local or other favorite park. Letters are sent out to area community and "friends of" support groups, as well as notices put into the local and other neighborhood newspapers.

Coast Guard Auxiliary volunteers working at Fort Armstead have cleared tons of brush exposing the Fort for the first time in years.

Volunteers choose a park, pick a project, describe their vision, and let us know what we can do to help.

Our primary function is to coordinate the groups of volunteers, help with supplies, trash bag pickups, deliver mulch, etc. Additionally, we coordinate with other city and private agencies to provide all the necessary services needed to help Shape up Parks.

Ms. Sunday and the volunteers from 25th Street Park and their award winning community project last summer.

## *When it is?*

There are three city-wide park cleanup and maintenance events planned for the year. Initially set up as an annual springtime event, the program has been expanded to suit the needs of both the community and the city's parks. Additionally, we assist with the scheduling and coordination of volunteer group activities in an effort to build day to day community and neighborhood involvement in the city parks. Last year over 1000 people participated in Shape Up Parks to beautify Baltimore.

## *What your support will do...*

By playing in this tournament, these resources will be used to assist in the purchase of shovels, brooms, trash bags, rakes, paint, and plants needed by the volunteers in Shape Up Parks. It is as simple as that.

## *About Pine Ridge Golf Course...*

Built in 1950, Pine Ridge lies within the beautiful Loch Raven Watershed in Baltimore County. This is a par 72, 18 hole championship golf course with two over-water holes.
